Re: City of Florissant Annexation Map Plan

Dear Ms. Dougherty:

The City of Florissant submits herewith 12 hard copies of its official Annexation Map Plan for the next 5 years along with an electronic copy as requested. Please note that due to past annexations the numbering of the proposed annexation areas is for identification purposes only and do not indicate the sequencing of proposed annexations. Currently the City does not have a sequencing plan for any proposed boundary changes.

This letter shall serve as **certification** that the attached map plan represents the City of Florissant's official map plan proposal in conformance with the requirements of RSMo. 72.423 (1999 Cum. Supp.).

The Annexation Map Plan represents the most current annexation plan that has been developed and updated by the City. We feel the boundaries of each proposed annexation area represents logical boundaries for the incremental expansion of the City of Florissant. The person designated to act on the City's behalf regarding this Map Plan is:
