RE: Map Plan Submittal

Dear Boundary Commission Members:

On behalf of St. Louis County, I am officially submitting the County's map plan in conformance with Section 72.423 RSMo. There are a total of six large maps submitted for the Commission's review, including an overall St. Louis County Map, as well as five geographic sub-area maps: North County, Mid County, West County, Southwest County, and South County. In addition, there are 12 smaller copies of the St. Louis County Map and a digital version on a CD.

The County's map plan depicts proposed established unincorporated areas. Additionally, the County's map plan shows unincorporated areas with populations under 2,500 for which the County currently provides services and is willing to continue to provide services in the future.

I have designated Mr. Glenn A. Powers, Director of Planning, as the person with the authority to act on my behalf with respect to the County's map plan. Mr. Powers can be contacted as follows:
