Re: BC1402, Simplified Boundary Change: Transfer of Jurisdiction between the City of St. Ann and the City of Bridgeton

Dear Chairman Schweitzer:

In regards to the above reference matter, the Department of Planning has solicited review and comment from the appropriate St. Louis County departments on the proposal's potential impact on delivery of County services. Since the proposed action is between two municipalities and does not involve any unincorporated parts of St. Louis County, we have determined that there is no substantial impact on St. Louis County services or departments.

Please contact Justin Carney, (314) 615-3840, in the Department of Planning if you have additional questions about this letter.

Sincerely,

A handwritten signature in blue ink that reads "Glenn A. Powers". The signature is written in a cursive style.
