Dear Ms. Dougherty:

Enclosed please find twelve (12) 11" x 17" color copies of our Annexation Map Plan. I have also prepared a 34" x 22" version which I will bring with me to various meetings for presentation purposes. Also enclosed is a copy of Ordinance Number 2222 passed by our Board of Aldermen on June 19th which adopted the subject Annexation Map Plan.

Following is a brief description of each proposed Subarea:

- Subarea A:* The area bounded by our existing City limits, the boundary between St. Louis and Jefferson Counties and the eastern limit of the Pacific Palisades Conservation Area.
- Subarea B:* The area bounded by our existing City limits and the boundary between St. Louis and Jefferson Counties.
- Subarea C:* The area bounded by certain parcels in the vicinity of a segment of Lewis Road, including Route 66 State Park, plus adjacent Interstate 44 right-of-way.
- Subarea D:* A narrow strip of Interstate 44 right-of-way bounded by our and Wildwood City limits (as well as Pacific City limits if their proposal is authorized).

I have also directed to you via e-mail a PDF of our Annexation Map Plan, this letter and Ordinance Number 2222 to post on your website or for other convenient uses.
