RESOLUTION

The matter of the possible annexation of an unincorporated area in St. Louis County, Missouri that includes property owned and occupied by Washington University was considered.

After a review and general discussion of the matter, Councilmember Munkel offered the following resolution and moved its adoption.

BE IT RESOLVED: That the Council of the City of University City finds and declares as follows:

1. Sections 72.400 through 72.430 RSMo prescribe the rules, regulations and procedures governing the annexation of any area within St. Louis County, Missouri.
2. Section 72.423 RSMo provides that all boundary changes and unincorporated area proposals are subject to a five-year planning cycle. No municipality shall file, nor the St. Louis County Boundary Commission accept or review, any boundary change or unincorporated area proposal which has not previously been submitted to the St. Louis County Boundary Commission for map plan review and comment. For the five-year planning cycle of January 1, 2000 to December 31, 2005, any map plan must be submitted no later than July 1, 2000.
3. Attached, marked Exhibit "A," and made a part hereof is the official map plan of the City of University City, Missouri. It shows the proposed boundary change, which is the annexation of an unincorporated area in St. Louis County, Missouri that includes property owned and occupied by Washington University. The area has general boundaries of Millbrook Blvd. to the north, Forsyth Blvd. to the south, Big Bend Blvd. to the west and St. Louis City limits to the east, and it includes any public rights-of-way.
4. The City Manager is hereby authorized and directed to take all administrative and legal actions necessary to file said map plan and comply with all rules, regulations or procedures relating thereto.
5. Filing the map plan does not commit University City to filing a boundary change proposal; it simply preserves the right to file such a proposal between April 15, 2001 and July 1, 2004.

Motion seconded by Councilmember Colquitt and carried.

Adopted this 19 day of June, 2000.

I hereby certify that the above is a true excerpt from the minutes of the meeting of the City Council held on the 19 day of June, 2000.
